PROJECT EXPERIENCE:

SERVITECH – Centralized Web-Based Service Request System

Capstone Project | Project Manager & Front-End/UI Designer

- Collaborated with a five-member team to design and implement a centralized web-based system for managing print, repair, and installation requests.
- Designed and implemented responsive user interfaces using HTML, CSS, JavaScript, and UI/UX principles.
- Contributed to the development of customer and administrative features, including service requests, queue monitoring, status tracking, payments, and notifications.
- Coordinated project requirements, development tasks, and communication among team members.
- Contributed to system documentation, testing, and overall implementation.

Xcel Hub Pre-Registration Portal

Individual Academic Project | Front-End/UI Designer

- Developed a web-based pre-registration platform for collecting and organizing participant information.
 - Designed user-friendly interfaces for training programs, services, and registration workflows.
 - Applied responsive design principles for desktop and mobile devices.
 - Integrated Google Sheets with Google Apps Script to collect and organize registration data.
 - Deployed the website using GitHub Pages.
-

WORK EXPERIENCE:

Freelance Financial Advisor – AXA PHILIPPINES | October 2023 - October 2024

- Prospected clients through social media and presented insurance plans based on their needs.
- Handled client inquiries, quotations, policy guidance, and follow-ups.
- Served as OIC for one month, coordinating schedules, team updates, and performance support.

Voluntary Intern – Xcel Hub Training Services | January - March 2026

- Created social media posts and promotional materials using Canva for marketing activities.
- Worked as the main editor for social media content and short-form videos.
- Helped plan ideas for reels and short videos to support online engagement.
- Assisted during training sessions focused on Excel Pivot Tables and Dashboarding.
- Provided technical assistance to students who needed help following the training activities.
